Smart Meetings. Better Decisions.

Welcome AI Classrooms

Powerbrave Active Minds AI

Active Minds, Brighter Futures

Traditional smart classrooms are fragmented and complex. Powerbrave Active Minds transforms your interactive displays into autonomous, AI-driven teaching companions—simplifying instruction, engaging every learner, and empowering educators to achieve more.

Live Lesson Generation

Create curriculum-aligned lessons in seconds with AI assistance.

Dynamic 3D Simulations

Bring concepts to life with immersive, interactive 3D experiences.

Automated Assessments

Generate quizzes, grade instantly, and provide smart feedback.

Real-time Student Engagement Analytics

Understand progress, participation, and learning insights as they happen.

Unified Fleet Management

Manage all displays and content from one secure, centralized platform.
